Dwayne H. Leadbetter
 - 12/02/2009

Dwayne H. Leadbetter Local Valley City businessman Dwayne H. Leadbetter, age 74, passed away Monday November 30, 2009 at his home under the care of his loving wife of 27 years, Karen and Hospice of the Red River Valley and surrounded by family and friends. Dwayne was born on August 5, 1935 at Mercy Hospital in Valley City to Harrison and Olive (Bragg) Leadbetter. He was raised on a farm south of Luverne, ND. He attended rural grade school at Baldwin and Grand Prairie, north of Valley City and one year at Star Lake School 108 near Dent, MN. He attended his first year of high school at Pelican Rapids, MN and the next three years at Valley City High School, graduating in 1954. While in high school he took part in several sports, speech team, drama, class plays, choir, and FFA. During high school he was active at Our Saviors Lutheran Church where he was baptized, confirmed, and became a full member. He still is a member today. He also sang in the church choir. When he was a junior in high school Dwayne joined Company G, 164th Infantry, ND National Guard. After about 2 years he obtained the rank of Sergeant and then attended and completed crane and shovel operating school at Ft. Leonard Wood, MO. He was the instructor for the crane and shovel operators of Headquarters Company, 141 Engineers Battalion in Valley City for several years, serving with the local guard for approximately 8½ years. After high school he completed a mechanics course at Hansen's Mechanical School in Fargo. On April 1, 1956 he married Leila Anderson at Our Saviors Lutheran Church. This union brought forth four children: Steven Leadbetter, Atlanta, GA, Lori (Bill) Leatherbee, Florence, KY, Scott (Sue) Leadbetter, Valley City, ND, and LeAnn Leadbetter, Minneapolis, MN. While their children attended Washington Elementary School Dwayne became president of the PTA and helped make the switch to PTO, which it still is today. Dwayne worked as a milk truck driver and deliveryman for about a year and also operated a caterpillar for the Barnes County Highway Dept for a season before going to work at the Pepsi bottling company, first as a bottle sorter and then as truck delivery. He worked in the plant and eventually became the plant manager and bottler for a few years. He then worked for Webster Plumbing and Heating for 25 years. While working for Webster a Dwayne also owned and operated the DX Cafe, which he later sold. On November 30, 1982 Dwayne married Karen Geiger. Together this union brought a son, Jason Leadbetter, Fargo, ND. Dwayne was a very active member of the Fraternal Order of the Eagles #2192. He served and chaired many different committees of both the local aerie and the Dakota State Aerie. He went through all the chairs and served as a trustee for Aerie #2192. He organized the local Past Presidents club and served as secretary for ten years. He was elected a state officer and went through all the chairs becoming Dakota State President for the 1982-1983 year. He was also a member of the AmVets. In 1989, Dwayne started Dwayne's Heating and Air Conditioning. Even though he was getting weaker, Dwayne continued in work when he was able, right up until the time of his death. His hobbies included working with wood; constructing several different buildings. He took most pride in his work when he built the deck and gazebo onto their house and the large tree house he made for his son, Jason. His greatest blessings and joys were the times spent with his children, grandchildren, and great grandchildren. He will be missed by family, friends, and of course his coffee group. Dwayne is survived by his wife, Karen; 5 children Steve, Lori, Scott, LeAnn, and Jason; 5 grandchildren Jaci Heidt, Joshua Leadbetter, Michael Leadbetter, Anna Leadbetter, and Luje Leatherbee; 2 great grandchildren Dillon Heidt and Kennadi Heidt; and many nieces and nephews. He was preceded in death by his parents, a half-sister Kathleen Tobelman, brother-in-law Harvey Tobelman, brother-in-law Wendel Pleasburg, half-brother Kenneth Heimbusch, an infant brother, sister-in-law Virginia Leadbetter, a nephew, and a son-in-law, Donald Flattie. Funeral services will be conducted at 2 PM Friday, Dec. 4, 2009 at Our Saviors Lutheran Church in Valley City with Rev. Randall Schlecht officiating. Visitation will be from 4 PM until 7 PM Thursday at the Lenz-Johnson-Schuldt Funeral Home with a prayer service beginning at 7 PM. Interment will be in Memory Gardens Cemetery near Valley City with full military honors.

Heimbush, John (1860 – August 2, 1904)

John worked on the section crew in Omenee. At one point, he and his family lived in a converted train car, which was situated two blocks west of the school. John and his wife, Helen, had seven children. On the marker is inscribed "dum taget clamat" - rest in peace. The symbol on the gravemarker is typical of a member of The Woodman Lodges. An article in the 1904 Omenee Herald states, "John, a farmer 6 miles northeast of town, was struck by lightning Tuesday evening and instantly killed. His son, who was standing near, was severely injured." It was later reported the son recovered from his injuries.

In Memory of

KENNETH E. HEIMBUSH

A TIME FOR EVERYTHING

There is a time for everything, and a season for every activity under heaven:

A time to be born, and a time to die; a time to plant, and a time to uproot;

A time to kill, and a time to heal; a time to tear down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to scatter stones, and a time to gather them; a time to embrace, and a time to refrain;

A time to search, and a time to give up; a time to keep, and a time to throw away;

A time to tear, and a time to mend; a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time for war, and a time for peace.

Dear Carol Jean,

What a wonderful surprise
to receive your card. Who sent
you my name and address?

your grandmother, Minnie,
and mine, Sigrid, were sisters -
along with Olga and Sigvora. Knut
was their brother. I know of no
other brothers or sisters. Do you?
Perhaps some stayed in Norway?

Sigrid married John Birkbe
in Rolla, N.D. on May 15, 1908
He was 36 - Sigrid was 27.

Rolla is in Rolette Co. This was his
second marriage. His first wife
Lettie died in childbirth - as did
the child. I have a copy of their
marriage license and marriage

Certificate - along with their
application for marriage license.
(I would like to obtain as much
information about the Sandvig
(Sandvik) family as I can. Would
you share with me any information
you have?)

Who were your parents. And
tell me about your brothers. ~~and~~
Where do they live? And their
families. And your family - do
you have children?

Do you know how and when
and why Sandvigs came to
America. Do you know if family
still lives in Norway. From where
did they come? Lots of questions,
I know.

John and Sigrid had 6
children (one of which was stillborn.)

three boys, Leonard, Sherman
and Hjalmer; and 2 girls,
Ellen and Myrtle.

Sherman was youngest. Sigrid
died of flu complications about a
week after Sherman was born.

John & Sigrid had moved
their family from the Turtle Mountains
in Rolette Co. where he had
homestead property, back to
Valley City. They had been there
only a few months when she
died March 31, 1919. She may
have been victim of the big flu
epidemic that was so bad.

My father was Leonard
Brekke. He married Vivian Wilson
and they lived in the Dunseith &
Rolla area of Rolette Co. John
eventually moved back to Rolette Co.

and his children eventually
rejoined him after having been
raised mainly by Sandvig
Aunties - Olga & Sigma.

I was born in Danforth 4-24-35
& attended school in Rolla, N.D.
I have a brother (Warren) born 5-25-34
a sister (Winnie) born 6-29-36
& a brother born 7-12-40. All
three live in Oregon - Portland
and Corvallis areas.

I found Sandy Power just
a few years ago - she was living
just about 18 miles from us -
in Kirkland, Wash - then I learned
of her sister and brothers in Valley
City. I was so pleased to learn
of the Sandvig cousins!

My brothers and sister and I
went together and had a grave

stone prepared for installation
on Sigrid's grave at Valley City.
None had been there since she
died. Earlier I thought she had
died & been buried in Rollite
Co. a short distance from the
homestead. So I've done quite
a bit of digging to get to this point.
I really enjoy the search - but
have let a couple years slide by
& really need to get back to it
again. Would like to get the
Sandvig families documented in a
family history book before my
time runs out. (My health is
quite good, but I am 72!)

Would you have any pictures
you could share with me.

My husband ^{Warren} and I were
married on ^{January 9} 1955 and came out

To Seattle in Fall of '55. We've
lived in Edmonds (no. side of Seattle)
ever since.

We have had a lovely Christmas
with our family and friends, but
I must tell you that your letter/card
was the highlight. Thank you so
much for writing.

Hope to learn about your grand-
mother and her descendants.

May the new year be very
good to you.

With sincere regards,
your Cousin, Joan

Dear Carol Jean -

Hello from beautiful Walliston ND - Finally
a truly Spring day.

Thank you so very much for the information.
Bernie has updated the computer file. He
really enjoys doing the genealogy stuff.
He grew up on a farm at Hunter, ND about
40 miles north of Fargo. I met him when
he was attending college, went out a few times, then
didn't see him for several years. The first time
I was working in Moorhead-MN and living
with several girls in Fargo, one was a high school
classmate of his. She told me he was her boyfriend.
Not true according to him but I would go
out with him for awhile. When I moved to accept
in Moorhead his sister called me & they all wanted
to bring pizza over - the rest is history. We
married Feb 18, 1966. He's almost 3 yrs younger.
We're back in child in big families so guess we know how to

give & take - We moved to Seattle May 1964
after Boeing offered him a job. He worked there
32 years & we lived there 35. Our younger
girl Beverly ²⁻⁸⁻⁶⁹ _{3 yrs.} ^{now 30}
+ her Madelyn ⁵⁻¹⁹⁻⁷¹ _{9 yrs.} ^{now 20}
They live in Everett just north of where we
used to live.
⁵⁻⁹⁻⁶⁷
Rita Darlene Wilson is Div from Arvin Wilson ⁷⁻¹⁴⁻⁶³.
They had lived on a farm in northeast Montana.
She has a music teaching degree from Valley City State
& was her first job at his home town. Her parents had
adopted him when they were too old & spoiled him terribly.
Rita had a son while a gr. in College ⁸⁻¹²⁻⁸⁸ Neil Allen
who Arvin adopted & his parents adored. Then
together they have Herald Oscar ¹⁻¹⁹⁻⁹¹. They lived together
12 yrs. Now she's with Dan Brown and they have
a son Zechariah Daniel Brown ^{now 6} _{2 1/2 yrs.} They all live
together in Great Falls, Montana. Oh I forgot Neil
just moved out to room with his hunting buddy.
Dan has a business where Neil works as a Welder

I have a class reunion July 25 - 27 this summer
and next summer is the big 50th.

Since we haven't seen the nieces new baby boys
all 6 of them, I really want to go this summer too.
Bernie says depends on gas prices as we
need to see ^{our} girls too. Bev's Tom is having
surgery sometime and we will go help with the
children so Bev can save her vacation time.

Maklyn was baby last time we were all together
(we temporary planning to meet at Rite
Sometime as it's half ways to Bev. We
want to take some group pictures.

I'm so happy Jesus has healed you.
That is the best news!

I keep praying for a complete healing
but answer I get is "my grace is sufficient
for you" So have learned to lead off peace

myself in doing things thanking
God for his energy to keep doing everything.
Bernie's a big help in everything but
cooking and ironing (of which he don't do much).
He's very proud of the green grass. Of course
he keeps up the Motorhome too. We always
used it for long trips as with Crohn disease
I often need a bathroom quickly.
This winter I had trouble with dehydration
and was off balance until recently. I have
gained weight again from it. It's a never ending
battle. Oh well - I'm still here.

Always good to hear from you and include
you in my prayers and would ask you to pray
for me also.

Satan can God Bless
With Love
Sandy

Carol,

Enclosed is a copy of Vince's death certificate, Morris has a copy of Ma's.
We don't have either Vince or Ma's phone book.

You can get copies of everybody's death certificate by contacting the county in which they passed away. Our Grandfather on Ma's side passed away in High River, Alberta, Canada. Your right he owned a bar, had trouble with a patron, he waited until our grandfather closed for the evening and axed him to death. Grandmother (Minnie) died in Valley City (Barns County) North Dakota.

Get a hold of Morris, he is getting ready to move, he may find the other stuff your looking for. As for being part Mandan Indian, the first time I heard that was when Morris was looking for preferential points with the City and County, he knows something I don't.

If I hear of anything else, we'll let you know,

Nick and Teresa

Dear Carol,

Thank you so much for all the new info. - I greatly appreciate all you have sent me. Thanks to your son-in-law also.

I see our great grandmother's name appears as Oleanna or Olana (?) I only had a handwritten death certificate ^{togby} and it was not clearly written, but looked to me like it was Olana - and I thought that was a logical interpretation, as my Aunt Ellen's (John's daughter) middle name was Olinda.

Yea, I know there were three brothers besides Krist. I have a post card which was posted from Enderlin, N.D. (not far from Nome, ND) ~~written by~~ written by "Brother Raqual" and addressed to "Krist Sandrik" in Bertha, N.D. So

Ragnal did come to this country. I have another postcard to Krest dated Sept 17, 1917 from R. Sandvik posted at Nome, N.D. Same hand-writing as the first postcard. These are very short hand-written in Norwegian so I don't know much of what they say. Oh, here's another card by Ragnal dated 1909 posted at Nome. So he was in the Valley City area for 8 yrs at least. I've never seen anything about him marrying or raising a family. Towvald and Thomas married and raised large families in Norway.

Perhaps Ragnh returned to Norway
after being here awhile.

Signora took care of Ellen, and
I believe Myrtle. (I know Myrtle lived
in Montana a number of years.) I
have pictures of both Aunt Myrtle and
Aunt Ellen very stylishly dressed.
I know - as you say - Signora was
always very well groomed & dressed.
Signora lived in Butte Montana and
St. Paul. Also possibly in Fargo before
St. Paul.

Alga took Uncle Sherman (he was
only 8 days old when Sigrid died), but
just when, I don't know. I believe my
Dad Leonard was also at Olegos.

It is thought that the people in Canada
who took Hjalmar were relatives of
John's first wife Letta, who died
during the birth of their first child.

I believe John's kids returned with

here to the homestead area when
they were in their early teens - Maybe
some were younger.

Yea, it would be wonderful
I have a book published about
the Sandvigs (I use that spelling
as that was the way Sigrid signed
her name. ~~Great Uncle Christ~~
signed his name Sandvig also.)

All my material is somewhat
disjointed - bits & pieces, etc. But
I keep working on it. But if I ever
get to a point of bringing it all together
I will most definitely send you and
the other cousins a copy of what I
put together.

Grandpa John was very reclusive.
He would visit with my Dad - off
away from the rest of us - when we visited
at his farm and they would speak
Norwegian mostly. He would maybe
smile at us kids ~~as we drove away~~
4

but I don't recall him ever saying a single word to us. (He spoke English but preferred Norwegian.) When we visited them, Aunt Myrtle and Aunt Ellen would bake up a big butter cake. Us kids would watch the whole process. And when it was ready for icing - they always had extra icing for "licking spoons". They were such sweet Aunties - I can still see their smiling faces - and always had hugs for us.

Uncle Hjalmer was a real charmer - too bad he never married. He played the accordion - we called it his "squeeze box", he was always playing and singing. Right up to the time of his death in Williston, N.D. He was a gentle man with an easy-going personality. We have fond memories of all of them.

If you have any little stories you remember about Minnie, I would like to hear them. Those little memories really make for a special family history reading.

Had an E-mail from Sandy and Bernie saying they received your package, too. They also said they had finally received some badly needed rain. With Central ND finally got some rain too. Warren still has family up there. (Warren, my husband - not Warren-my brother & Conde confusing sometimes).

I'd better close - got a couple more letters to answer. Looking forward to receiving the pictures.

Much love to you, Carol,

Joan

Dear Carol Jean,

Thanks so much for your letter and the newspaper clipping! It is kind of a funny story about the contest in Valley City—I was so young that I really don't remember it, except the prize I received. The merchants sponsored this and people could get one vote for every dollar spent. There was a house painter who owed a large bill and paid it all off and gave all of his votes to me. As a result I won a really nice Lionel electric train. We played with that for many years and I still have it.

As you can see I have been busy trying to track down the Sandvik family tree. I really have lots of questions about this. One is I have often wondered if it is supposed to be Sandvik or Sandvig or something else.

I have a lot more to add in the family tree and on the information sheets. If you could fill in as much as possible for your brothers and yourself, that will help. Please make a copy of the information you find and send it to me. Thanks! I do have lots more that I already have done, but it is in another file and I haven't transferred all the information yet. So when I get that done, I will send you an updated copy.

Your grandmother (and my great aunt) Minnie Sandvik Olson is buried at Hillside Cemetery next to Ordie. On the grave stones it is "Minna Olson" and "Orrd Conrad Olson." I wish I had your grandfather's name and I wonder where he is buried.

I started looking up names on a program and service I now subscribe to, Ancestry.com and the US Census and Social Security Death Index. As you look, especially at your father and brother Vince—do I have the right dates down? There are a few others that I researched, but am not 100% if they are the right dates.

Also buried at Hillside are my parents, brother Bruce, my uncle Leland and his wife Tillie and their son Thorval, and our great aunt Sigred Brekke. Sigred died in 1919 and her youngest son, Sherman lived with my grandparents for a while. A granddaughter of Sigred's came to Valley City and placed a tombstone on Sigred's grave—but she spelled out "Sigred Sandvig Brekke." So you can see why I am a little unsure about the spelling. It does help that my sister Becky and her husband Walt live close to the cemetery and Walt is in charge of the cemetery, so he has all the record books. Unfortunately they are not as complete as I would like.

Walt had a heart attack this morning. He was sent to Fargo and had a couple of stents put in. Their son, Josh, is to be married on Saturday, so this is an awful lot on Becky and

Walt. I ended up in the hospital a couple of weeks ago—thankfully my heart is ok, but still have some pain, so more tests ahead for me.

You had asked about the name Signe. There are two Signe's. One is our grandmothers' sister. She was Signe Sandvik Wirud, married to Olaf Wirud. Olaf was a railroad man and when he died, they were living in St. Paul, MN. I was really small when she died, but I remember her visiting us and she would come in on the train. They never had children. She was a very fashionable lady and would wear makeup and nice dresses, etc. We always called her Aunt Signora. My mother claimed that Signora thought that this was a better name. Who knows?

Just like your family has a couple of Vincent's and Morris's, you had both a great aunt Signe and an aunt Signe (married to a Swanson). We know that Signe Swanson had several children including Donald, but that is one family I don't have any more information on.

If you have any copies of obituaries, death certificates, or other documents, maybe I could get a copy of them too? Tracking down the family is really fun, but I really wish that I had done more of this when my mother was in good health. She had a fantastic memory for names and birth dates.

Carol, I hope this helps you figure some things out as well. As I mentioned, I only have some of the names down on that family tree—you may be surprised to see how many relatives you have!

What do you think of the cute gal in the picture?

Our love,

Tim Skramstad

Dear Carol Jean,

Hope this finds you in good health and enjoying the summer. I spent a week in Valley City and attended the annual conference of our church body. (It is a rather small denomination so it can meet in places like the college campus. It is the same one that our grandmothers belonged to when they passed away.) Anyway, while I was there, I spent a few hours in the college library and looked up information in the Times Record on microfilm. That was interesting and as you can see, I did find a couple of good things, but boy do I get headaches from trying to read on that machine.

I found your grandmothers obituary—so now we know your grandfather was Carl Olson. From the 1920 census, I am guessing that he must have died either shortly before Sylvia (Tootsie) was born or at least before the census was taken in 1920 (1916-1920). The census information about Tootsie says that she was 3 ½ years old and her name was Solvig. When I read that, I remembered reading about that and hearing my dad say that was her real name. Minnie was listed as the head of the household and as a widow. It really was too bad that the immigration people changed the name to Olson. As you can imagine, there are sure a lot of Olsons.

I had hoped to find Carl Olson in the newspaper, but to try and read three or four years of papers on microfilm is not something I could do. Besides, the paper is really weird as there are many death notices or obituaries I would expect to be in the paper but are not. In the 1920 census, Minnie was listed as a “laundress” for a private family. Signe, age 16, was employed as a “servant.” That was a common term for housekeeper. Orrd, age 11, Morris age 9, Kermit age 7, and Solvig age 3 ½, were all, of course children. In the 1930 census, my grandmother Olga was living with your grandmother and Ordie who was then 21 and working as a plumber at the city power plant, Morris, Kermit, and Solvig. I thought of the tremendous struggle and hard work these dear women went through to provide for themselves and their families.

From the social security index, I gather that Minnie probably never had social security as I cannot find her listed there. As a domestic type employee, I would assume that nothing was ever paid in and therefore she lived until age 80 without that so called safety net of social security. I am trying to get other information from other resources and will let you know what I find. One little bit about your grandmother’s funeral, there was a terrible late season snow storm across much of the south west and Midwest when she died. I remember (even as a very young boy) my dad being so concerned because the storm prevented many family members from attending the funeral.

By the way, Walt Schroeder, Becky’s husband, is doing much better and said he finally has strength and energy again now with the opening up of the arteries to his heart. Our love, Tim Skramstad

Dear Carol,

Merry Christmas! We were so happy to hear from you and reconnect with part of the family. My sister, Becky said she had written to you and had also sent a copy of an article from the Nome, ND history book about the Skramstad family.

Not sure if you remember, but when I was in the fourth grade, I had surgery for my appendix and you came with your mother to visit me in the hospital. Your family visited our family different times in Valley City. Many years later, I was on an Army Reserve assignment at Camp Parks in 1980 and met your mother and Harvey. They took me for a little tour of San Francisco and we stopped to see you. Later that day as I was returning to the base, I took the BART system and ran into Vince. I was really glad to see him. He was pretty shocked to see me and had not known that I was in town.

Becky said that she had gotten a little information out of our mother. That is good considering her advancing Alzheimer disease. I do hope that you can get in touch with Dorothy Johnson as she probably is the one person with more first hand information still living. Dorothy is the daughter of Ben and Palma Gillund. Palma was my Dad's sister. I also e-mailed our sister Sandy, giving her your address. Her husband Bernie has also done some work on the family tree.

You will probably get some of this from each of us, but hope we can all work out some of the details together. I had dinner with my brother Ted last week and we were both wondering about this branch of the family, so I hope we all can learn things.

As I understand it, Kammy had two brothers: Ord (Ordean?) and Morry (spelling?) I don't remember Kammy except my folks talking about him. I remember Morrie coming from San Francisco to visit us. That was pretty exciting for us as kids. He always had stories to tell and I remember him telling that he was a taxi cab driver. I thought of him as pretty generous because he went with Ted and I (and our Dad) delivering the Sunday paper one morning. After the route, he bought us breakfast—probably the first time I had eaten in a restaurant.

Ord was a veteran (WWII) and was one of those extremely hard working men who also lived pretty hard. He helped my Dad build a porch on the back of our house, and I can still seem them nailing the rafters in place. Ord was working on the runways for the Grand Forks Air Force Base when he died. I am not sure how all of this took place, but my Dad had to go there and bring back his personal effects. He had a 1949 or 1950 Ford and as kids we thought it was really something to see a case of Squirt pop in the trunk of that car. Fortunately, my Dad saw that the bottles had been recapped and we dumped the stuff down the drain.

Your grandmother, Minnie Olson, and Ordy lived in a tiny house on the edge of the golf course in NE Valley City. I remember going there to visit her, but I was very young and can't tell you very much about her. I do know that she talked Norwegian with my Dad. My brother Ted worked as a police officer in Valley City for 27 years, and he told me that Minnie's house was sold for taxes. The little place was not worth anything, but Ted thought the land had some value, however, he learned that the taxes had not been paid for so many years, that it wouldn't have been worthwhile to redeem the property. The land is now just part of the golf course and the buildings were torn down years ago.

My grandmother, Olga Sanvik Skramstad (your great aunt) was born April 26, 1882 in Toten, Norway and died February 23, 1946. My grandfather, Carl Skramstad, (April 15, 1867 –October 31, 1935) was also born in Toten, but he came with his family to America in 1869. The story goes that there were few eligible women to marry in North Dakota and Carl went to Norway to find a bride. He married Olga and returned to homestead near Nome, ND. They were later divorced. She eventually married again, but my Dad was the only child left at home when the divorce took place and it was a very difficult time. His mother worked on farms, cooking and housekeeping while Dad worked as a hired hand, and never had the opportunity to complete elementary school.

My understanding is that Olga, Minnie, Signe, and Signora were sisters. Now, I may really be wrong about these names. What I do not understand is when or how the *other* sisters came to America.

By the way, when we lived in Germany, we did travel to Toten. It is a smaller city about one hour north of Oslo. We were not there long enough to do any research, plus it was a Saturday and everything closes on weekends there. It was exciting to see a store in that town with a large sign that said "Skramstad" on it. The Norwegian American genealogical society has a specific branch for those whose ancestors came from Toten. One older man in my church was a past president of this group and he has more information to follow up on than I have time for.

Do you have e-mail? If so, that could become a real easy way to write and connect with others in the family.

I do hope that this gets you started. Please keep in touch with us. Do I remember correctly that you have two daughters? What has happened to your brothers? I didn't ask Becky, but imagine she told you that our oldest brother Bruce died from cancer six years ago.

Thanks again for writing to my Mom!

OUR FAMILY

Then Anton and Mary built a very large house in 1909, which burned in 1913. Anton burned to death in that fire. Mary moved into the log house again but she built another large house in 1916. Then Hillmer and Amelia moved into the log house for four years. They soon built their own house on Section 36 and lived there the rest of their married life.

Ida and Sigvard Olson moved home from Belfield, N.D., in the fall of 1920. They moved into the log house Hillmer and Amelia had lived in and it was left in the same place for two years more. Ida and Sigvard moved the log house onto Section 25 then and it is still there. Sigvard put siding on it and added a dining room and a kitchen. The log house was wired for electricity in about 1938 and the electricians had a hard time drilling through the logs. Sigvard and Ida lived there most of their married life, two and a half miles south of Nome.

GM has been the last company to return to work under government supervision.

A major committee of local lawyers has been gathered to negotiate a GM strike. The national committee, consisting of a fixed ratio which the majority will pay half a cent hourly for each worker to narrow differences.

Roskam told the GM locals to return for speedy settlement of differences and to return to work as soon as they are settled.
